Highlights

Unique Skin Protector

The unique skin protector guards even your most sensitive body areas, allowing you to comfortably trim hair as close as 1/64" without directly exposing your skin to blades.

Bi-directional trimmer

Uniquely designed to trim hair both backwards and forwards, this trimmer makes it possible to catch and cut hairs even when they grow in different directions.

1/8" length comb

Just click on the bi-directional comb and trim your hair in any direction you like, to a consistent length of 1/8".

100% waterproof

Provides a comfortable and close trim in or out of the shower. The Philips Norelco Bodygroom is 100% water-resistant so you can simply rinse it clean when you're done.

AA battery power

Cordless use thanks to AA battery power. The Philips Norelco Bodygroom is ready to use whenever, wherever. For optimal performance with up to 2 months use, use high quality Philips Alkaline AA batteries. Battery performance and run-time may differ depending on hair type and frequency of use.

Long-lasting sharpness

The blades are designed to last, time after time and don't need replacement on a regular basis.

Built to last

All of our products are built to last and come with a 2-year worldwide warranty.

Shower cord

Hang the Philips Norelco Bodygroom where it's most convenient for you. Easily accessible and always ready to go.
